Classes may be cancelled when public transportation service is suspended or a storm warning as well as an emergency warning are issued. Please refer to the Guidelines for Cancellation of Classes due to weather warnings, disasters, and suspension of public transportation (see p.16) to see whether classes will be cancelled.

(5) Supplementary classes

Supplementary classes may be held to make up for a delay in progress or a cancelled class. Information on supplementary classes will be given directly by the instructor in charge and posted on the bulletin board.

3. Examinations and Academic Record

(1) Examinations

Evaluation methods include written and oral examinations, reports, papers, practical and other examinations. For some courses, the rate of attendance and marks in unscheduled examinations are also reflected in grading, or substituted for marks in scheduled examinations. For the evaluation method of each course, see the volume Syllabus through KOAN.

● Matters to note regarding examinations

- ① Information on scheduled examinations will be posted on the bulletin board or made an oral announcement from the instructor in charge.
- ② If you appear in the classroom later than 30 minutes from the start time of the examination, you will not be allowed to take the examination. Be careful not to be late for an examination. Students may leave the classroom 45 minutes from the start time of an examination.
- ③ If a student is caught cheating or doing other unfair conduct in an examination, he/she should immediately stop the test, and his/her registration for the subject will be cancelled. Students guilty of unfair conduct will be subjected to disciplinary action in accordance with the school regulations.
- ④ Taking an examination in a subject for which you have not been registered will not receive credit.

(2) Grading

Achievement in each subject is evaluated as Grade S, A, B, C, or F as shown in the table below:

Assessment	Passed				Failed
Grade	S	A	B	C	F
Score (out of 100)	100-90 scores	89-80 scores	79-70 scores	69-60 scores	59-0 scores

(3) Notification of grades

The grades in subjects for which students have registered are notified by Transcript/Academic Record to each student after the closing ceremony.

4. Approval of Completion

(1) Requirements for a certificate

It is necessary to complete all the subjects required in the program. For details, such as the titles of subjects and the numbers of required subjects and electives, see the each program outline given later.

The approval/disapproval of completion of courses is announced in September for the August and summer terms and in March for the fall and winter terms.

(2) Certificate of Completion

Certificates will be issued to students who satisfy all the requirements for completion of the program in the prescribed manner.

5. Subject Registration

(1) Placement: Evaluation of degree of proficiency in Japanese

To register for the subjects offered by the CJLC, students need to be evaluated for their degree of proficiency in Japanese. The evaluation is done through a placement test. You can take grammar, Kanji and composition test at the CJLC website. For more information of the placement test will be notified by Email.

(2) Orientation Sessions by Program

Before or at the beginning of each term, the orientation sessions by program will be held. All the students are required to attend the orientation to take classes in each program. The schedule and location of Orientation Sessions by program will be announced by Email.

(3) Registration

Subject registration questionnaire will be conducted every term.

If you fail to register for a subject, you will not be graded for the subject or considered to have completed the subject, even if you attend the class. Any corrections in the subject registration forms should be made within the registration period. Take care in preparing and submitting your registration form.

The last day of the registration period is usually about two weeks after the beginning of classes.

● Matters to note regarding subject registration

- ① You cannot register for a course which is not a designated subject.
- ② For some subjects, students are allowed to register for designated courses only. At the Orientation Sessions by Program mentioned in section (2) above, information will be given about important matters in registration. Be sure to pay attention to this information and follow the instructions in registering for subjects.
- ③ After the deadline of the subject registrations, double-check that all requirements have been completed. If there are any corrections, you must let CJLC office know immediately.

Maple Program [M]

1. Program Outline

The Maple Program (The University of Osaka Intensive Japanese Language and Culture Program for Exchange Students) is a short-term student exchange program of The University of Osaka hosted by the Center for Japanese Language and Culture (CJLC).

This one-year program is designed to help students improve their Japanese language skills as well as enhance their knowledge of Japanese culture and society, moving them further towards their respective academic goals. Moreover, it aims to cultivate the human resources required to deeply understand Japan from various perspectives by giving students the academic tools to compare and contrast Japanese language, culture and society with their own, and then share that knowledge widely.

A faculty advisor is assigned by the CJLC to each student enrolled in the program to provide advice regarding subject registration and other academic activities.

Course information

The Maple Program features four courses: Pre-intermediate, Intermediate, Upper-intermediate and Advanced. Students are placed in one of these four courses based on the results of a preliminary placement test.

Pre-intermediate Course

This course is designed for students evaluated to be within the CJLC's A2 range of Japanese language proficiency. Students learn Japanese language and culture through a range of activities conducted in "Directed Research & Reading" and further refine their grammar and vocabulary through the courses "Pre-intermediate Japanese α: Grammar & Vocabulary" and "Pre-intermediate Japanese β: Grammar & Vocabulary." Students may choose elective classes from both the Pre-intermediate and Intermediate course levels.

Intermediate Course

This course is designed for students evaluated to be within the CJLC's B1 range of Japanese language proficiency. Classes are conducted in Japanese, with some classes conducted in English.

The following classes are offered: Japanese Linguistics, Japanese Language Education, Japanese Thought, Japanese History, Japanese Literature, Japanese Contemporary Culture, and Japanese Social Sciences.

For each Research Subject, there is an introductory course (“Introduction to XX”) that provides foundational knowledge in the subject concerned while taking into consideration students’ practical ability.
