Cancellation of a class will be announced on the bulletin board near the office of the CJLC Office. Be sure to check the bulletin board before attending a class.

When the instructor in charge does not appear in the classroom within 30 minutes from the start time of the class and there is no cancellation notice on the bulletin board, please contact the CJLC Office and follow its instructions.

Classes may be cancelled when public transportation service is suspended or a storm warning as well as an emergency warning are issued. Please refer to the Guidelines for Cancellation of Classes due to weather warnings, disasters, and suspension of public transportation (see p.16) to see whether classes will be cancelled.

(5) Supplementary classes

Supplementary classes may be held to make up for a delay in progress or a cancelled class. Information on supplementary classes will be given directly by the instructor in charge and posted on the bulletin board.

(6) Attendance

In the Intensive Japanese Programs offered by the CJLC, if the attendance rate of a student falls below 80%, the student will not be able to successfully complete the program. If you will be or were absent from a class through unavoidable circumstances, you must submit a Notice Report of Absence to the CJLC Office, where Notice Report of Absence forms are available. The Notice Report of Absence must be submitted before such absence or at least one week after it, along with evidence to prove the unavoidability.

3. Examinations and Academic Record

(1) Examinations

Evaluation methods include written and oral examinations, reports, papers, practical and other examinations. For some courses, the rate of attendance and marks in unscheduled examinations are also reflected in grading, or substituted for marks in scheduled examinations. For the evaluation method of each course, see the volume Syllabus through KOAN.

● Matters to note regarding examinations

- ① Information on scheduled examinations is posted on the bulletin board. For examinations other than scheduled ones, the instructor in charge will make an oral announcement. Since the announcements on examinations are subject to change, please check the bulletin board from time to time.
- ② The subjects for which scheduled examinations will be held will be announced two weeks prior to the first day of the examination period as a rule. The schedule and details of the examinations will be announced one week before the beginning of the examination period.
- ③ If you appear in the classroom later than 30 minutes from the start time of the examination, you will not be allowed to take the examination. Be careful not to be late for an examination. Students may leave the classroom 45 minutes from the start time of an examination.
- ④ If a student is caught cheating or doing other unfair conduct in an examination, he/she should immediately stop the test, and his/her registration for the subject will be cancelled. Students guilty of unfair conduct will be subjected to disciplinary action in accordance with the school regulations.
- ⑤ If you cannot take an examination through unavoidable circumstances, submit a Notice of Absence to the CJLC Office, where Notice of Absence forms are available.
- ⑥ Taking an examination in a subject for which you have not been registered will not receive credit.

(2) Grading

Achievement in each subject is evaluated as Grade S, A, B, C, or F as shown in the table below:

Assessment	Passed				Failed
Grade	S	A	B	C	F
Score (out of 100)	100-90 scores	89-80 scores	79-70 scores	69-60 scores	59-0 scores

(3) Notification of grades

The grades in subjects for which students have registered are notified by delivering a report card to each student after the closing ceremony.

4. Approval of Completion

(1) Requirements for a certificate

It is necessary to complete all the subjects required in the program. For details, such as the titles of subjects and the numbers of required subjects and electives, see the program descriptions given later.

The approval/disapproval of completion of courses is announced in September for the August and summer terms and in March for the fall and winter terms.

(2) Certificate of Completion

Certificates will be issued to students who satisfy all the requirements for completion of the program in the prescribed manner.

5. Subject Registration

(1) Placement: Evaluation of degree of proficiency in Japanese

To register for the subjects offered by the CJLC, students need to be evaluated for their degree of proficiency in Japanese. The evaluation is done through a placement test. You can take grammar, Kanji and composition test at the CJLC website. The schedule and location of interview test will be posted on the bulletin board near the CJLC Office.

(2) Explanatory meeting for registration (Orientation Sessions by Program)

At the beginning of each term, meetings are held to give explanations on subject registration. All the students are required to attend the meetings, where textbooks and other materials for designated classes of required subjects may be handed out. The schedule and location of Orientation Sessions by program will be announced on the bulletin board near the CJLC Office.

(3) Registration

Subjects should be registered for every term.

If you fail to register for a subject, you will not be graded for the subject or considered to have completed the subject, even if you attend the class. Any corrections in the subject registration forms should be made within the registration period. Take care in preparing and submitting your registration form.

The last day of the registration period is usually about two weeks after the beginning of classes. After the deadline, registrations will not be accepted. Be sure to finish subject registration at the CJLC Office within the registration period. (Registration by mail fax or e-mail will not be accepted.)

● Matters to note regarding subject registration

- ① You cannot register for a course which is not a designated subject.
- ② For some subjects, students are allowed to register for designated courses only. At the Orientation Sessions by Course mentioned in section (2) above, information will be given about important matters in registration. Be sure to pay attention to this information and follow the instructions in registering for subjects.
- ③ After the deadline of the subject registrations, receive your Subject Registration Confirmation at the CJLC Office during the Subject registration confirmation period, and double-check that all requirements have been completed. You must return your signed Subject Registration Confirmation to the CJLC Office, whether or not there are any corrections.

(4) Paper of completion course

In some programs/courses, students are required to submit a paper for completion of the course. In accordance to the instructions in the program/course descriptions given later, submit the paper by the deadline.

7. CJLC Library and Computer Lounge

The CJLC Library and Computer Lounge can be found on the second floor of the Center for Japanese Language and Culture. In addition to general books, you will find various textbooks as well as workbooks on learning Japanese, and there is an area where students can study while listening to CDs and cassette tapes that come with these books.

Regarding Japanese literature material, the library facilitates equipment for viewing audio visual material: genres ranging from entertainment, movies, drama, to anime and so on. In order to find the material that you want to use, search the "Japanese Literature Data and Audio Visual Materials Database" found on the CJLC homepage. Students can use the computers and printers in the Computer Lounge. The user card distributed at orientation is necessary in order to do so.

The CJLC Library and Computer Lounge are open from Monday through Friday, from 10 a.m. to 6:20 p.m. (holidays excluded).

(Note) The CJLC Library and Computer Lounge will be closed temporarily on an as-needed basis.

Maple Program [M]

1. Program Outline

The Maple Program (Osaka University Intensive Japanese Language and Culture Program for Exchange Students) is a short-term student exchange program of Osaka University hosted by the Center for Japanese Language and Culture (CJLC). This one-year program consists of two terms: a Fall-Winter term from September to March, and a Spring-Summer term from April to August.

The program is designed to help students improve their Japanese language skills as well as enhance their knowledge of Japanese culture and society, moving them further towards their respective academic goals. Moreover, it aims to cultivate the human resources required to deeply understand Japan from various perspectives by giving students the academic tools to compare and contrast Japanese language, culture and society with their own, and then share that knowledge widely.

A faculty advisor is assigned by the CJLC to each student enrolled in the program to provide advice regarding subject registration and other academic activities.

Course information

The Maple Program features four courses: Pre-intermediate, Intermediate, Upper-intermediate and Advanced. Students are placed in one of these four courses based on the results of a preliminary placement test.

Pre-intermediate Course

This course is designed for students evaluated to be within the CJLC's A2 range of Japanese language proficiency. Students learn Japanese language and culture through a range of activities conducted in "Directed Research & Reading" and further refine their grammar and vocabulary through the courses "Pre-intermediate Japanese α: Grammar & Vocabulary" and "Pre-intermediate Japanese β: Grammar & Vocabulary." Students may choose elective classes from both the Pre-intermediate and Intermediate course levels.

Intermediate Course
